SUPPLEMENTARY INFORMATION:

I. Background

The administration of the Trade Act of 1974 (Trade Act), as amended by the Trade Adjustment Assistance Extension Act of 2011 (TAAEA), is the responsibility of the Secretary of Labor. Through agreements (Governor-Secretary Agreements) established with States, States serve as agents of the Department in making payments to workers who have lost their jobs as a result of foreign trade and been certified for the TAA Program. Section 241 of the Trade Act provides that: “the Secretary shall from time to time certify to the Secretary of the Treasury for payment to each cooperating state the sums necessary to enable such State as agents of the United States to make payments provided for by this chapter.”

As such, states may request reserve funds before the Final Distribution to cover the costs of Training, Job Search Allowances, Relocation Allowances, Employment and Case Management Services, and State Administration of these benefits. Reserve funds will be distributed to states in accordance with 20 CFR 618.920 on an as-needed basis in response to reserve fund requests to provide funds to those states that experience large, unexpected layoffs or otherwise have training needs that are not met by their initial allocation. These funds must be requested using the Form ETA-9117 (OMB No. 1205-0275).
